##### a) Folk Festival Grant Meeting

It was suggested that GCC would invite the Folk Festival Committee to a meeting to come to an agreement about what is to happen with their allocated funds. Several possible solutions were discussed including the possibility of a rollover to next year, however if no festival goes ahead then the funds would be returned, and if an adapted festival went ahead then the remainder of the funds would be returned.

Marcus proposed a meeting with the Folk Festival Committee. At this meeting, whoever was in attendance would have decision making powers. Jimmy seconded this. Three voted for this proposal, and Moira and Scott abstained. Who will be attending on behalf of the community council will be decided at a later date.
